Day 10 Cairns

Breakfast at the Hotel

Board Bus from the hotel 8:30

Cairns Botanical Gardens | Half Day |

Cairns Botanic Gardens not only features a diverse collection of tropical and sub-tropical plants, but also two beautiful lakes, the Centenary Lakes and the Botanic Gardens Lake. The Centenary Lakes are a series of interconnected freshwater lakes, surrounded by lush vegetation and home to a variety of aquatic life such as fish and turtles. The Botanic Gardens Lake is a serene and peaceful lake with a small island in the middle, which is home to a variety of water birds.

Visitors can take a stroll along the lakes and enjoy the peaceful surroundings and the many different species of birds that call the gardens home. The lakes also offer opportunities for fishing and picnicking, making it a perfect spot for a family outing. The Centenary Lakes are also a popular spot for jogging, walking and cycling. With their serene atmosphere, the lakes are a great place to relax and unwind after exploring the rest of the gardens.

In addition to the botanical gardens, the two lakes are a must-see attraction that offers a peaceful and tranquil atmosphere and a glimpse into the diverse aquatic life of the region.

Picnic Lunch at the Botanical Gardens.

Depart From Cairns | Airport | 16:00 Hrs.

As you depart from the beautiful country of Australia, take with you memories of the diverse landscapes and unique cultures you have encountered during your visit. From the tropical paradise of Cairns and the Great Barrier Reef to the bustling cities and the rugged outback, Australia has something to offer for everyone.

Take with you the knowledge you have gained about the unique flora and fauna of the region and the indigenous cultures that have called this land home for thousands of years. The experiences you've had here will stay with you forever and will be something to cherish and share with others back home.

Don't forget the beautiful beaches, the fantastic food and the friendly people you've met here. These are all the things that make Australia a unique and special place.

As you depart, remember that Australia is always ready to welcome you back for another adventure, and that there's always more to explore and discover. In the meantime, take the memories and knowledge you've gained and apply them to your future travels.

We're excited to have you visit Australia! However, please be aware that due to current conditions, certain activities and experiences may be impacted or unavailable. But don't worry, we're closely monitoring the situation and making sure everything goes smoothly. If something does change, we'll make sure to make alternative arrangements to make sure you still have a safe and enjoyable trip. Safety is our top priority, and we'll take all necessary measures to make sure your trip is as great as possible.
